CALL FOR POSTERS
To present a poster, send a title and a half-page abstract in plain text (ASCII format) to astro2017@stat.unipd.it.

Acceptance of the poster will be notified after the abstract review is completed. Preference will be given to early career researchers. Presentation of the poster is subject to prior registration.
Postersubmission deadline: **July 28, 2017**

TO REGISTER
Registration to the workshop is open, though because of the limited places available it will be restricted to 80 participants.

The conference fee amounts to **Euro 25**, to be paid solely by credit card upon registration to the workshop. The registration fee covers the workshop kit, the coffee break, and the closing reception.

To register to the workshop, fill in the form available at astro2017.stat.unipd.it
Registration deadline: **August 20, 2017**

STUDENT WAIVER
Registration fee waivers for "students" (Bachelor's, Master's, PhD) are available, and will be distributed at the discretion of the scientific committee.

Students must certify their status by sending a copy of their certificate of enrollment or an attestation letter signed by their supervisor to astro2017@stat.unipd.it after having completed the registration. The current student status need be specified in the "Note" box of the registration form.
Certification deadline: **August 31, 2017**

THE ORGANIZING COMMITTEE: Alessandra R Brazzale, Denis Bastieri and Giorgio Picci
